For Children and Teens MFTD

About Summer Camp!

Come join in on the fun at the Summer Day Camp for Children and Teens (Medically Fragile Technologically Dependent) at Sunbeam Community & Developmental Services. We are a diverse organization that provides services to people with different abilities. We offer an exciting theme-based program for children and teens aged 4 to 18 years old that includes crafts, swimming, Snoezelen room time, community outings, physical fitness, and games in the gym. All activities are geared towards having fun and making new friends.

Camp runs daily Monday to Friday, 9:00 am-3:00 pm. Extended care options are available from 8:00-9:00 am and 3:00-4:00 pm for an additional cost. The program is facilitated by experienced, qualified staff, including a Registered Practical Nurse. We are committed to providing a safe and positive experience for all participants. A minimum number of participants are required for the camp to run. Your camp facilitator for the 2022 season is Nicole Tailby.

We are looking forward to providing a fantastic summer experience for everyone. We will be offering programs assuming that the local Covid-19 pandemic environment permits us to do so. We encourage you to enroll early to secure your spot. We will be offering a full refund if we are required to cancel activities due to COVID-19. We will be following all required pandemic precautions per the direction of local health authorities to ensure the safety of everyone who participates. We may need to restrict some activities such as pool, outings requiring use of a vehicle, and use of the Snoezelen room due to Covid-19 limitations. We will do our best to offer a fun experience if we are open with limited services.

Sunbeam Community and Developmental Services are currently reviewing the vaccination policy. We will update you as soon as the policy comes into effect.
