

## Summer Camp Planning Workshops 2023

Are you thinking about a summer camp for your child?

Join us for a summer camp planning workshop! This workshop is designed to give caregivers and service providers the information they need to plan a successful summer camp experience for individuals with special needs.

In this free workshop, you will learn about:

- How to find inclusive and specialized camps in your community
- The different types of inclusion support available and how to access them
- Funding options for camp fees and specialized supports
- Sharing information about your child
- Preparing your child for camp

This workshop is intended for families who have children with special needs as well as service providers who support families to navigate camp and recreation opportunities.

Please join us for this virtual workshop, using Teams. Registrants will receive a Teams link via email the morning of the workshop.
