About Summer Camp!

Come join in on the fun at the Summer Day Camp for Children and Teens (Medically Fragile Technologically Dependent) at Sunbeam Community & Developmental Services. We are a diverse organization that provides services to people with different abilities. We offer an exciting theme-based program for children and teens aged 4 to 18 years old that includes crafts, swimming, Snoezelen room time, community outings, physical fitness, and games in the gym. All activities are geared towards having fun and making new friends.

Camp runs daily, Monday to Friday 9:00 am-3:00 pm. Before and after care options are available from 8:00-9:00 am and 3:00-4:00 pm for an additional cost. The program is facilitated by experienced and qualified staff. We are committed to providing a safe and positive experience for all participants.
