For Children and Teens MFTD

About Summer Camp!

Come join in on the fun at the Sunbeam Community and Developmental Service, Summer Day Camp for Children and Teens. This Camp is specifically designed to support individuals who are medically fragile and technologically dependent. We are a diverse organization that provides services to people with different abilities. We offer an exciting theme-based program for children and teens aged 4 to 18 years old that includes crafts, swimming, Snoezelen room time, community outings, and games in the gym. All activities are geared towards having fun and making new friends.

Camp runs daily, Monday through Friday, from 9:00 a.m. to 3:00 p.m. Before- and after-care options are available for an additional cost from 8:00-9:00 a.m. and 3:00-4:00 p.m. The program is facilitated by experienced and qualified staff. We are committed to providing a safe and positive experience for all participants. A minimum number of participants is required for the camp to run.
