

The Opportunity: Legal Professionals

Sunbeam Community & Developmental Services is a leading not-for-profit organization supporting children, youth, adults, older adults, and families across Central-West Ontario. As the trusted regional centre for developmental services, Sunbeam is committed to helping people with developmental disabilities achieve their goals and be recognized for their value in the community.

Our Commitment

Our Board of Directors champions anti-racism, equity, diversity, inclusion, allyship, and accessibility, recognizing that diverse perspectives and lived experiences strengthen our impact and governance.

Join Our Board

Sunbeam is seeking lawyers and legal professionals to join its volunteer Board of Directors. Your legal expertise can help strengthen governance, guide strategic decision-making, and support an organization that makes a meaningful difference in the lives of people with developmental disabilities.

Board meetings are held monthly (excluding July, August, and December), primarily by videoconference, with committee meetings held virtually approximately five times per year.

If you are passionate about community service, strong governance, and creating lasting impact, we encourage you to apply.
